Dear Mrs Edgelow,

I write to congratulate you on the honour which has been conferred upon you in the Queen's Birthday 2010 Honours List.

My wife and I are very pleased that your service to community health, particularly through the Gawler Foundation, has been recognised in this way.

I look forward to presenting you with your award at an Investiture at Government House later in the year and, meanwhile, send you our warmest congratulations and best wishes.

Yours sincerely,
